COUNCILLOR OPEN FORUM

Councillor Slager:

- Has had concerns raised by citizens about the request for personal information for accessing food at the Watson Lake Food Bank. Citizens have found the registration process intrusive and feel that it is unnecessary. Although Councillor Slager understand that these questions are asked for statistical data, suggested that Council write a letter to ask the reason for the extensive registration process and ask if changes can be made to make the program more inviting.

Councillor Whimp:

- Asked if any of the companies who bid on the Playground Equipment Upgrade Tender were local businesses.

Councillor Paquette:

- Inquired about the types of hazardous materials accepted at the Landfill.

Mayor Hanchar:

- Reminded Council and the Gallery of the Town Hall meeting on January 23rd and of the Wildland Fire Town Hall meeting on January 22nd.

CAO Lockwood:

- Acknowledged the passing of Barb Suffesick, a long time and valued past employee of the Town and resident and friend of the community.
